

At **Photon Energy Group**, we are dedicated to ensuring that everyone has access to clean, affordable energy and water. We deploy technology to provide these fundamentals and help build a thriving, sustainable world.

A publicly traded company, we have worked in the renewable energy arena for over 15 years, growing to a team of over 400 employees around the world. The Group is made up of three main business lines: **Photon Energy** and **Lerta**, which offer comprehensive solar power and renewable energy solutions, and **Photon Water**, providing clean water and remediation solutions for all environments.

We are driven by our values. Not only do we believe in the business potential of clean, sustainable energy and water, but we are also dedicated to fostering a culture of innovation, safety, sustainability, community, performance and integrity amongst our employees as we continue to grow.
